

METALUNIC

Roof Tile

CASTELLA

The elegance of the past. The strength of today.

CASTELLA

The Castella tile is more than just a steel tile: it's a tribute to the timeless beauty of traditional French architecture. Inspired by the emblematic roofs of country houses, Castella combines the charm of yesteryear with the performance of modern technology.

- > 26-gauge Galvalume® steel
- > Roofing application : Minimum slope of 3:12
- > Simple to maintain and clean
- > Quick, easy installation
- > Concealed fastener roof system, directly on deck
- > Lightweight structure resists hail, sleet, windstorms and corrosion
- > Finishes that mimic clay tile and slate
